The Pirate Song

Intro: Am - D (4x)

G - Em (3x)

Am - D (2x)

Oh! I'd like to be a pirate A pirate's life for me

All my friends are pirates And sail the B. B. sea

I've got a Jolly Roger It's black and white and vast

So! Get out of your skull and Crossbones

And I'll run it up your mast

With a yo-ho-ho And a ha-ha-ha And a ye-hee-hee-ha-ha-hum

With a yo-ho-ho And a ya-ha-ha And a yum-yum-yum-jum-jum

I've got a Jolly Roger It's black and white and vast So!

Get out of your skull and Crossbones

And I'll run it up your mast Altogether!
